The American Mathematical Society can offer you a basic \TeX~ publishing service. You provide the DVI file and we will produce typeset pages using an Autologic APS Micro-5 phototypesetter. The low cost is basic too: only $5 per page for the first 100 pages; $2.50 per page for additional pages, with a $30 minimum. Quick turnaround is important to you and us . . . a manuscript up to 500 pages can be back in your hands in just one week or less.

As a full service \TeX~ publisher, you can look to the American Mathematical Society as a single source for all your publishing needs.
