Hubert Partl

The tenth meeting of the German speaking \TeX~ users group DANTE will be held
• from February 20 to 22, 1991
at the Technical University of Vienna (Austria). Wednesday afternoon will be reserved for the general assembly of DANTE members only, whereas to the talks, discussions, and workshops on Thursday and Friday, attendees from all European and non-European countries are welcome, too.

The official conference language will be German, but talks may also be presented in English. Proposed topics include all aspects of \TeX, \LaTeX, \METAFONT, SGML and, of course, European language support.

The technical program will be supplemented by several non-technical events like a performance of Mozart’s “Magic Flute” by the Vienna State Opera, an evening at a typical Viennese “Heurigen” wine restaurant, and a reception in the City Hall.

• If you want to present a paper or to exhibit a product, please tell us before December 14, 1990, to the address below.

All DANTE members will be invited individually at the end of this year.

• All non-members who would also like to attend the meeting or to receive more information about it, should tell us before the end of December.
