During 1998, the communications of the \TeX{} Users Group will be published in four issues. One issue will contain the Proceedings of the 1998 TUG Annual Meeting. One issue, also not yet assigned, may be a theme issue.

\textit{TUGboat} is distributed as a benefit of membership to all members.

Submissions to \textit{TUGboat} are reviewed by volunteers and checked by the Editor before publication. However, the authors are still assumed to be the experts. Questions regarding content or accuracy should therefore be directed to the authors, with an information copy to the Editor.

**Submitting Items for Publication**

The next regular issue will be Vol. 19, No. 1. The deadline for technical items has already passed; reports and similar items are due by March 2. Mailing is scheduled for late March. Deadlines for other future issues are listed in the Calendar, page 315.

Manuscripts should be submitted to a member of the \textit{TUGboat} Editorial Board. Articles of general interest, those not covered by any of the editorial departments listed, and all items submitted on magnetic media or as camera-ready copy should be addressed to the Editor, Barbara Beeton (see address on p. 235).

Contributions in electronic form are encouraged, via electronic mail, on diskette, or made available for the Editor to retrieve by anonymous FTP; contributions in the form of camera copy are also accepted. The \textit{TUGboat} "style files", for use with either plain \TeX{} or \LaTeX{}, are available "on all good archives". For authors who have no network FTP access, they will be sent on request; please specify which is preferred. Write or call the TUG office, or send e-mail to \texttt{TUGboat@mail.tug.org}.

This is also the preferred address for submitting contributions via electronic mail.

**Reviewers**

Additional reviewers are needed, to assist in checking new articles for completeness, accuracy, and presentation. Volunteers are invited to submit their names and interests for consideration; write to \texttt{TUGboat@mail.tug.org} or to the Editor, Barbara Beeton (see address on p. 235).
