Memberships and Subscriptions
2008 dues for individual members are as follows:
- Ordinary members: $85.
- Students/Seniors: $45.

The discounted rate of $45 is also available to citizens of countries with modest economies, as detailed on our web site.

Membership in the \TeX\ Users Group is for the calendar year, and includes all issues of \textit{TUGboat} for the year in which membership begins or is renewed, as well as software distributions and other benefits. Individual membership is open only to named individuals, and carries with it such rights and responsibilities as voting in TUG elections. For membership information, visit the TUG web site.

Also, (non-voting) \textit{TUGboat} subscriptions are available to organizations and others wishing to receive \textit{TUGboat} in a name other than that of an individual. The subscription rate is $100 per year, including air mail delivery.

Institutional Membership
Institutional membership is a means of showing continuing interest in and support for both \TeX\ and the \TeX\ Users Group, as well as providing a discounted group rate and other benefits. For further information, see \url{http://tug.org/instmem.html} or contact the TUG office.
