Memberships and Subscriptions
2011 dues for individual members are as follows:

- Ordinary members: $95.
- Students/Seniors: $65.

The discounted rate of $65 is also available to citizens of countries with modest economies, as detailed on our web site.

Membership in the \TeX Users Group is for the calendar year, and includes all issues of \textit{TUGboat} for the year in which membership begins or is renewed, as well as software distributions and other benefits. Individual membership is open only to named individuals, and carries with it such rights and responsibilities as voting in TUG elections. For membership information, visit the TUG web site.

Also, (non-voting) \textit{TUGboat} subscriptions are available to organizations and others wishing to receive \textit{TUGboat} in a name other than that of an individual. The subscription rate is $100 per year, including air mail delivery.

Institutional Membership
Institutional membership is a means of showing continuing interest in and support for both \TeX and the \TeX Users Group, as well as providing a discounted group rate and other benefits. For further information, see \texttt{http://tug.org/instmem.html} or contact the TUG office.

\TeX is a trademark of the American Mathematical Society.

Copyright © 2011 \TeX Users Group.

Copyright to individual articles within this publication remains with their authors, so the articles may not be reproduced, distributed or translated without the authors' permission.

For the editorial and other material not ascribed to a particular author, permission is granted to make and distribute verbatim copies without royalty, in any medium, provided the copyright notice and this permission notice are preserved.

Permission is also granted to make, copy and distribute translations of such editorial material into another language, except that the \TeX Users Group must approve translations of this permission notice itself. Lacking such approval, the original English permission notice must be included.
