LEC Introduction to My Very Own Science – Basics and Theories

Dr. Paula Pan

ST 2015
1

Introduction to the Introduction (04/01/2019)
Schedule (1/2)

04/01  Introduction to the Introduction

I. My Very Own Science: Rationale
   04/08  Other Sciences: Wrong Tracks and False Facts
   04/15  My Very Own Science: The Better Way

II. The History of My Very Own Science
   04/22  The Beginnings
   04/29  First Results
   05/06  Dies Academicus – No Lecture
   05/13  Concurrencies
   05/20  The Decision: Ignoring Others

(25.05.–06.06.: Whitsun Holidays)
Schedule (2/2)

III. Theories of My Very Own Science
   06/10  Determining the Essential
   06/17  Focusing the Essential
   06/24  Recapitulation of the Essential Determination

IV. Empirical Fields
   07/01  The Local Field: My Department
   07/08  The Rest: The World

07/15  Conclusions
