Insured: Joshua McClain

The payment of \$17.00 that you recently sent for this policy has been received. Our records reflect that this policy has lapsed in accordance with its provisions. In order to restore your valuable insurance protection, it is necessary that you apply for reinstatement.

Enclosed please find the payment that you sent. You will need to send \$25.50 along with any enclosed forms and we will then be able to consider this policy for reinstatement. Until these requirements have been received and your Application for Reinstatement has been approved, your coverage will not be in effect.

If you have any questions or if we may assist you in any other way, please call us at extension 6915.

Sincerely,
