BTW, here is off beat suggestion to help you to identify each other (and give a plug for TUG). Print out a copy of the TFZ (T<sub>E</sub>X Friendly Zone) image and plasticize it somehow. You can use the small one in a old badge holder pinned on or in a hanging badge holder, or as a luggage tag. The larger one can be put on the outside of your suitcase!

- TRAVEL TIPS  
from <http://www.speedishuttle.com./tips.htm>

**Apparel Tips** It's a good idea to wear a hat and to use sun screen to protect you from the rays.

**Health Tips** The weather is perfect (sometimes a little warm). Always have bottled water with you and use sunscreen.

**Kona Departing Flights** Please be sure to plan your departure time 2 hours prior to your flight departure time if you are staying north of the Kona airport and 1 & 1/2 hours if your south of the airport (travel time may vary due to the time of day that you are traveling).

**Hawaiian** *Aloha* (hello or good-bye); and *Mahalo* (thank-you).
