UPON YOUR ARRIVAL

Upon arrival look for the greeters with Marriott Waikoloa Beach Resort signs (the signs may just say Marriott). They will have all of your information and will get you on the shuttle. If for some reason there is no greeter, just go to the baggage claim and call SpeediShuttle on the courtesy phone (#65) and tell them you are part of the TeX Users Group and you need a ride.

SpeediShuttle is giving us a discount rate of \$15 per person one way. You will pay the \$15 when you arrive in Hawaii*. All fares include taxes but not gratuity. SpeediShuttle accepts cash, credit cards or travelers checks as payment.

*Note: It turned out that the round trip prices originally posted we good as long as the whole group returned together. Since that most likely will not be the case, we feel that it would be a better deal for everyone to take the \$15 per person each way. I am sorry if this has caused any inconvenience to anyone.

At the registration table Sunday evening, I will have a sheet of paper where you can sign up for your return trip to the airport. Going anywhere else besides any of the other islands, it is recommended that passengers be picked up 2 1/2 hours before your flight. If you are going to any of the other islands, then 2 hours ahead of time is recommended.

If you have any questions, I will be happy to answer them.

Sue
