       3.3.1 Example for list (4*description) 8

Hello, here is some text without a meaning. This text should show what a printed text will look like at this place. If you read this text, you will get no information. Really? Is there no information? Is there a difference between this text and some nonsense like “Huardest gefburn”? Kjift – not at all! A blind text like this gives you information about the selected font, how the letters are written and an impression of the look. This text should contain all letters of the alphabet and it should be written in of the original language. There is no need for special content, but the length of words should match the language.

A blind text like this gives you information about the selected font, how the letters are written and an impression of the look. This text should contain all letters of the alphabet and it should be written in of the original language. There is no need for special content, but the length of words should match the language.

2.1.1 Heading on Level 3 (subsubsection)

Hello, here is some text without a meaning. This text should show what a printed text will look like at this place. If you read this text, you will get no information. Really? Is there no information? Is there a difference between this text and some nonsense like “Huardest gefburn”? Kjift – not at all! A blind text like this gives you information about the selected font, how the letters are written and an impression of the look. This text should contain all letters of the alphabet and it should be written in of the original language. There is no need for special content, but the length of words should match the language.
3 Lists

3.1 Example for list (itemize)

• First item in a list
• Second item in a list
• Third item in a list
• Fourth item in a list
• Fifth item in a list

3.1.1 Example for list (4*itemize)

• First item in a list
  – First item in a list
  ∗ First item in a list
    · First item in a list
    ∗ Second item in a list
  · Second item in a list
  – Second item in a list
• Second item in a list

3.2 Example for list (enumerate)

1. First item in a list
2. Second item in a list

Figure 2: A default caption of a “fullpage” object with the default setting, which is a “left” caption which means that it always appears before the object. This can be an even or odd page. And some more text which has no real meaning because it fills only the space for a long caption.
3 Lists

3. Third item in a list
4. Fourth item in a list
5. Fifth item in a list

3.2.1 Example for list (4*enumerate)
1. First item in a list
   a) First item in a list
      i. First item in a list
         A. First item in a list
         B. Second item in a list
      ii. Second item in a list
   b) Second item in a list
2. Second item in a list

3.3 Example for list (description)
First item in a list
Second item in a list
Third item in a list
Fourth item in a list
Fifth item in a list

3.3.1 Example for list (4*description)
First item in a list
   First item in a list
      First item in a list
      First item in a list
   Second item in a list
Second item in a list
Second item in a list
